Summary

Detail-oriented and self-driven Frontend Developer and UI/UX Designer with hands-on experience building responsive web and mobile applications. Passionate about clean UI, smooth user experiences, and writing scalable code using modern technologies like React.js and React Native. Proven ability to collaborate with design and product teams to deliver functional, user-focused solutions. Always eager to learn, improve, and take on new challenges in a fast-paced development environment.

Work Experience

Frontend Engineer (Intern)

Hastro Inc. | Lagos, Lagos Nigeria

Jan.2023 - Dec.2023

Expanded expertise in advanced frontend development concepts and best practices.

Led the 2-man development team of the Following/Followers feature for the mobile app using React Native and Expo.

Collaborated closely with the design team to deliver high-quality web applications with a strong focus on user experience and responsive design.
